# AUDITOR'S REPORT.

---

ACCOUNTANT'S OFFICE,  
NORTH-WEST GOVERNMENT,  
REGINA, October 31st, 1888.

HIS HONOUR THE LIEUTENANT-GOVERNOR, NORTH-WEST TERRITORIES  
REGINA.

SIR,—

In accordance with Your Honour's instructions of 6th September last, I beg to report that I have thoroughly examined the Books and Accounts of the North-West Government for the year ending the 31st August, 1888, and found the same correct.

I append hereto a statement in tabular form of the Receipts and Expenditure of the Local Revenue fund, showing balance from last year to be \$6,356.79; Receipts, \$16,533.40; and Expenditure \$20,921.33, leaving a balance on hand of \$1,968.86.

The amount refunded by School Districts is \$58.78, leaving a balance due of \$102.85.

The disposing of the Ferry Licenses in accordance with the Report of the Finance Committee, 18th November, 1887, does not appear to be very satisfactory. There were some fourteen licenses advertised for sale, costs of advertising, etc., amounting to \$346.33. Out of these only two were bid for—the first, at Fort Saskatchewan, to pay \$75 per annum; the second at Red Deer to pay 25 cents per annum. Eight others took out a license for the usual fee of \$5, there being no bid for them, and the remainder are supposed to be running without a license. The total receipts this year are \$75.00.

It is pleasing to note that there is a marked decrease in the demand for liquor permits since Your Honour commenced the issue of "Sale permits for beer," and at the same time an increase in the revenue.

I would respectfully recommend a monthly audit of the books and accounts, instead of allowing them to run for a whole year as heretofore. Vouchers and expenditure can more easily be checked when the entry is new, than if allowed to stand over for ten or twelve months.

I have much pleasure in testifying to the neatness of the books and to the efficiency of the various Officers in the Accountant's Department.

I have the honour to be,

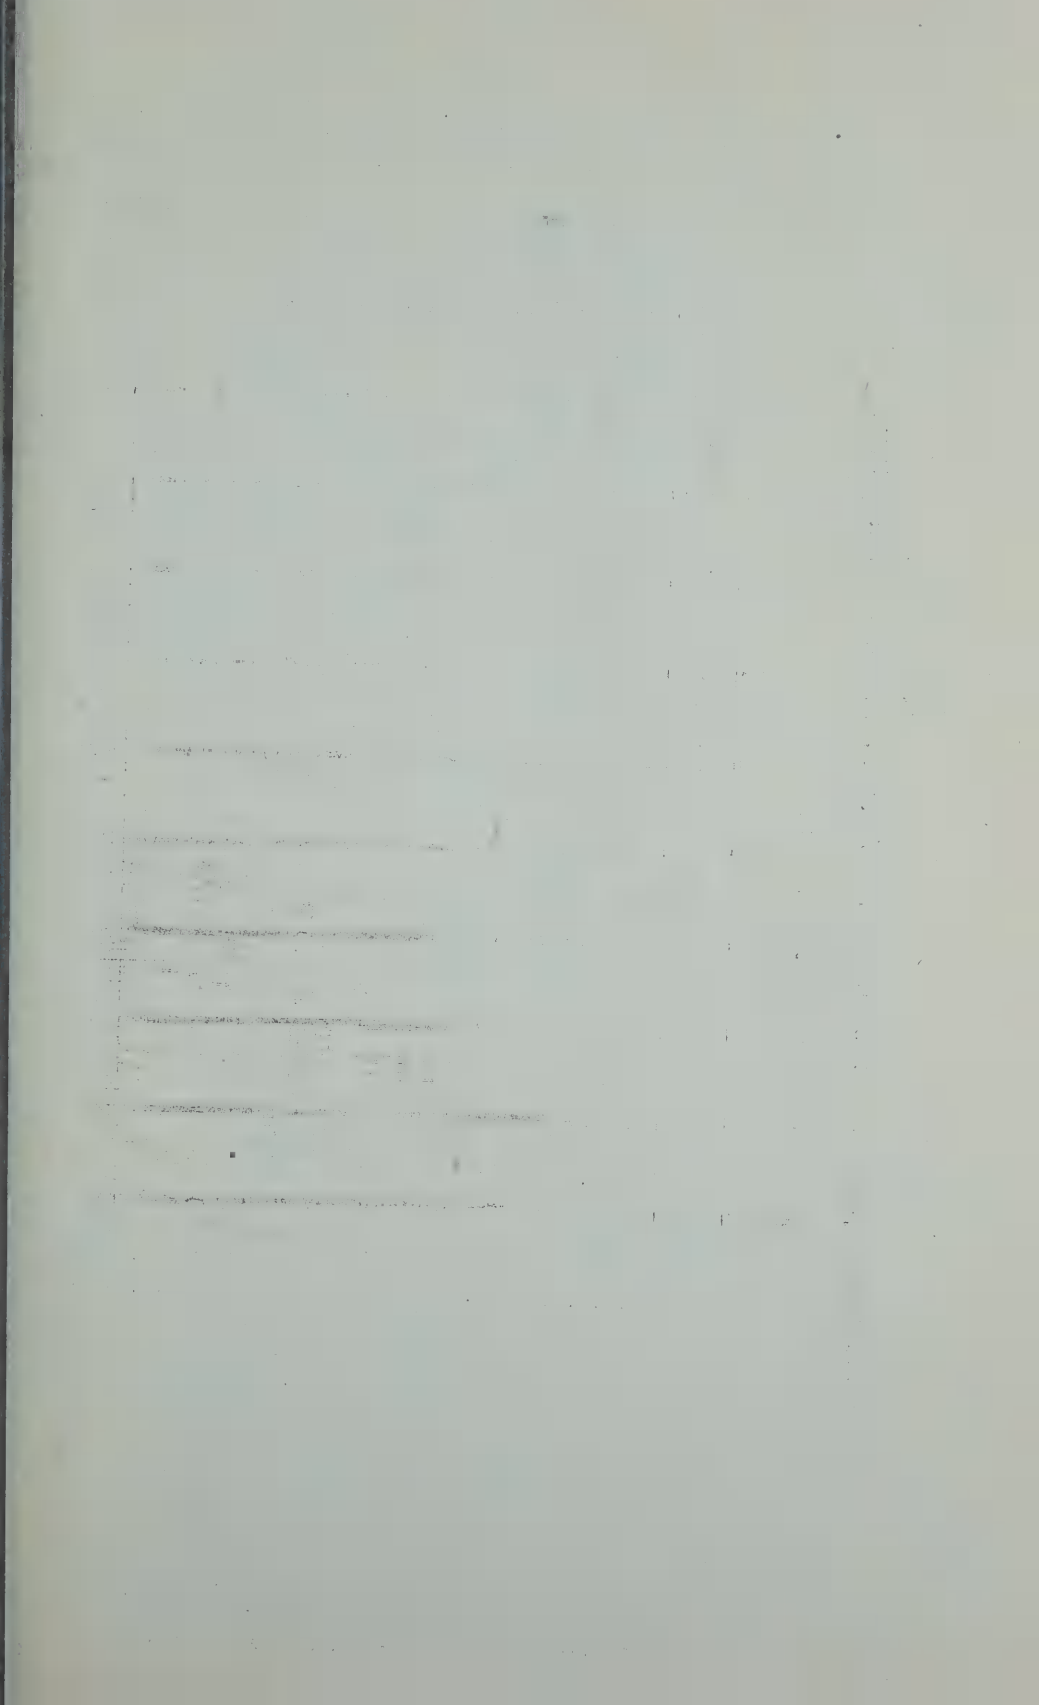

Sir,

Your obedient Servant,

HY. LE JEUNE,

AUDITOR.
